NEW BALL ROOM

THE new ball room is one of the largest and best ventilated rooms of its kind in Canada its floor is uniquely the best being laid on a system of springs.

The entrance down the grand staircase of marble gives one an enhancing view of the entire room and displaying its color scheme of white with old gold hangings to the best advantage. The chandeliers and wall lights in crystal and old gold lend added charm.

WINNIPEG, MANITOBA

The City of Winnipeg, Manitoba, is a large metropolitan area with a population of approximately 700,000. It is located on the Red River of the North, which flows into Lake Winnipeg. The city is known for its diverse economy, including manufacturing, services, and education. It is also a major cultural and sports center, home to the Winnipeg Jets of the National Hockey League and the Winnipeg Blue Bombers of the Canadian Football League. The city's history is rooted in its role as a fur trading post and a center for the fur trade. It was founded in 1824 by the Hudson's Bay Company and has since grown into a major urban center. The city is known for its friendly atmosphere and its commitment to community development. It is a city that offers a high quality of life and a strong sense of community.
